School Commitment

Directions: **All** the individuals that have been selected to participate in the School-wide PBS training need to review and sign this commitment form.

I hereby acknowledge that:

1. **All** of our team members must attend the **entire 3 day training**. I understand that either the school **principal or assistant principal** must also be in attendance for the 3 days of training in order for the team to continue training and receive stipends.
2. Our school will make every effort to implement PBS during the forthcoming/current school year.
3. Through the PBS process we will:
 - *use discipline data to guide decision making
 - *implement a consistent discipline referral process & procedures
 - *implement and teach school-wide expectations & rules
 - *implement a comprehensive reinforcement system, and
 - *participate in biannual evaluation of PBS efforts.
4. The PBS team commits to meet at least monthly to analyze and problem-solve school-wide data.
5. Our team will work with a “coach” assigned by the district to assist us in implementing PBS with fidelity.
6. This is a 3-5 year process that involves ongoing training.
7. This process starts at the school-wide level, but eventually will address students at a targeted group and individual student level.
