

Purpose of Checklist

The Team Initiated Problem Solving Fidelity Checklist (TIPS-FC) is a progress-monitoring tool for a team and their coach to use as a guide for planning, implementing, and sustaining best practice meeting foundations and using data for problem solving and decision-making. The TIPS-FC has 18 total items: the first 9 items are for measuring implementation of meeting foundations and items 10 through 18 are for measuring the thoroughness of the team's problem-solving processes, as exemplified by the TIPS model. Each of the 18 items is defined with an accompanying data source and scoring criteria to use as a guide for scoring the level of item implementation (full (2), partial (1), not started (0)). Completing the TIPS-FC provides the team and coach a forum for reviewing the functioning and health of the team and guides the team toward improvements in the level of implementation for both meeting foundations and problem solving. The checklist points are converted to percentage of implementation across the 9 items in each category. The results provide two scores: a Meeting Foundations Score and a Problem-Solving Score.

Plan 5-10 minutes the end of the meeting to complete the TIPS-FC. Ideally, the team and coach have a facilitated discussion, to complete the checklist, item-by-item, self-assessment. The team agrees on the score of a 0, 1, or 2 for each item and records the points associated with each item on the checklist. Each team completes the TIPS-FC with their coach, every three to four meetings.

Summarizing and Using TIPS-FC Scores

1. To get level of implementation for Meeting Foundations score:
Total the points for items 1-9 and divide by 18 (total possible points).
2. To get the level of implementation for Problem Solving score:
Total the points for items 10-18 and divide by 18 (total possible points).

The following graphs illustrate how these data can be displayed for at-a-glance progress toward implementing Meeting Foundations and Problem Solving routines with high integrity and for item-by-item analysis for developing precision statements and action plans towards increasing the fidelity of implementation for items scoring a 0 or 1. The criteria of implementing TIPS with fidelity is 85% for Meeting Foundations and 85% for Problem Solving or an 85/85 Score.

*** Clarification of terms:**

- For item 10, the equivalent to the TIPS Meeting Minute Form includes the following features:
 1. Documentation of meeting logistics,
 2. Listed agenda items,
 3. Documentation of administrative topics, decisions made, tasks & timelines, &
 4. Documentation of problem statements, solutions/decisions/tasks, & evaluation plan.

Using TIPS Fidelity Checklist Data

The criteria that indicate successful TIPS implementation is 85% for Meeting Foundation Implementation and 85% for TIPS Problem Solving Implementation: 85/85.

For items scoring a 0 or 1, an action plan needs to be defined with a goal of scoring a 2 for fully implemented. The coach and team complete an action plan for implementing items with fidelity. The minute taker transcribes the tasks and action plans onto the Meeting Minute Form as a general/administrative item labeled Fidelity of TIPS Implementation for further progress monitoring. Below is an extracted section from the TIPS Meeting Minute Form to illustrate an example of checklist completion to action planning.

The example below is a completed section of the teams meeting minutes for the TIPS Fidelity of Implementation agenda item
